I am presently serving as member of the Campbell Board of Education and Board Member of Mahoning County Career Technical Center. Board member Mahoning County Board of Developmental Disabilities.

I served in the U.S. Army as a Field First Sergeant during the Korean Conflict. I was responsible for a cadre of twenty-four (24) men in the training of new recruits.

I was also honored to serve as the Mayor of Campbell for six (6) years. During My tenure I had a good rapport with the citizens, City, State, County and Federal Officials. I have always been involved with various fund-raisers for the schools, Churches, and civic organizations within the community and county.

I have filed as a candidate for Re-election for the office of Member of the Board Of Education Campbell City School District. My platform for the Election of November 8, 2011 would continue to be KNOWLEDGEABLE, RESPONSIBLE In making the necessary decisions regarding the highest goals for a better Education. These decisions would include ACCOUNTABILITY, FINANCIAL RESPONSIBILITY, and hiring the best qualified educators, as well as certified

Instructors for all sports. I would continue to work and assure the best academic Standards in the Campbell School System in order for our students to continue To benefit the best quality education they can receive for their future welfare.

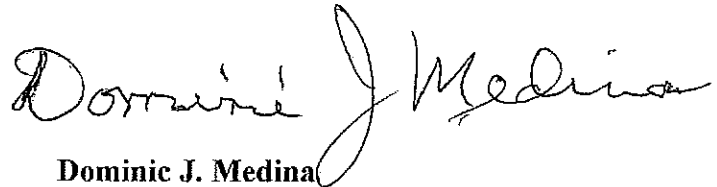

I am proud of the many accomplishments our School Board has made.
I am proud of our Administrators, teachers, aides staff and students.
For the past two years we received an excellent rating in our School District.

This year the state has made drastic cuts in the school budget. We had to Make a 10% cut in our budget. We were able to make cuts and still maintain Our services without laying off anyone.

I am proud of our Unions, CEA and OAPSE officials and members for Negotiating and voting for the 2 year contracts with our school board.
Thank you members. Looking forward to another successful year.

It has always been a pleasure to serve you! Thank you for your consideration.
